12/17/06	Budapest MEOE	Champion	Dr. Tamás	Excellent 2 nd	Very Nice

Angel's Show and Test Results

	Champion Show		Jakkel	(from 8) (Angel was in top coat)	judge; prefers small black compact type, speaks English excellently
1/11/2007	St. István Veterinary University, Budapest	Eye Exam	Dr. Szentgáli, Eye Specialist	Clear, free from any eye diseases or disorders	Very professional, performed more tests than private vets are able to do
4/8/07	Szilvásvár MEOE CACIB	Champion	Ilona Lukács Udvardiné	Excellent 3 rd (Angel totally out of coat)	Type preference has changed from working type to show type; Still a friendly judge
5/28/07	Budapest MEOE MMK Club Show I regret not filing an official complaint at this show as a result of the ridiculous judgement; this judge loved Angel in October just 7 months before; he made ludicrous statements to the crowd about the other than black colors while judging which is unethical	Champion	Mihály Mészáros	Very Good (incorrect merle)	This judge has undergone a metamorphosis from October and now claimed Angel was not a correct merle thus the VG judgement; This will be the last time I show to this judge as his comments and beliefs expressed during his judging during the show about the Mudi breed were ridiculous; he was influenced by incorrect Mudi breeder opinions
6/10/07	Salföld MEOE MMK Club Show	Champion	Dr. Péter Hudák	Excellent 1 CAC, BOB	Very intelligent judge; Speaks English; He had heard about the

Angel's Show and Test Results

					statements made over Angel but knew it was incorrect what was being spread around and judged correctly
7/1/07	FSS Breed Expo, Barto, PA, USA	Open	Rita Thatcher (AKC Judge)	Participation Ribbon given (Angel was limping from a seriously cut paw pad that occurred earlier that day)	First time to see Mudi; Very Nice judge
9/2/07	<p>Solt – MEOE Magyar Kutyafajták CAC</p> <p>I wanted to file an official complaint against the judge at this show, but I was asked not to by the MEOE officials. They told me that they would correct the misinformation being told to their judges by a disgruntled Mudi breeder. I now regret that I did not file the complaint as the very next week the same incorrect judgement of incorrect merle was again made against Angel. For more than 3 years Angel was shown and never once was this judgement made against her until Angel beat this Mudi breeders dogs at the World Show. She</p>	Champion	István Laszló	Very Good (incorrect merle)	Has changed from working type to show type; influenced by incorrect Mudi breeder opinions

Angel's Show and Test Results

	then spread this false information among as many judges as she could.				
9/8/07	Kecskemét – MEOE CACIB	Champion	Antal Kiss	Excellent 2, Res.CAC (incorrect merle)	Prefers black, tailless and not too small; influenced by incorrect Mudi breeder opinions, I thought this judge was not easily influenced and why I went to the show; I will go to very few shows in the future as a result of the politics involved in them
